Keys	<input type="text"/>
------	----------------------

I confirm that the keys details above have been supplied to Arsenal Pet Sitting in relation to a booking for the care of my pet(s) and that these have been tested and are working.

Arsenal Pet Sitting will safeguard Owner's key(s) in a manner consistent with that of the professional pet/home service industry, which includes tagging, coding and storing of key(s) in a manner that offers reasonable protection to Owner in the event of loss or theft of key(s).

Following the service period, Sitter will securely retain Owner's key(s) for safekeeping until Owner contacts Sitter to arrange repossession of key(s).

Please choose one of the following key return options below: (Please circle)

- 1. I would like Sitter to retain my key(s) for convenience and future use.**
- 2. I would like Sitter to return my key(s) no later than 5 days upon my return.**

IMPORTANT: Sitter will not agree to leave your house key on a counter in your home on their last visit due to possible return delays where your home and pets would be left neglected. The safety of your home and pets are top priority while you are away. This policy will give peace of mind to both Sitter and Owner should arrival home be later than expected.

Key Return: There is no charge to return your house key; however, Arsenal Pet Sitting will only return key(s) to the Owner or Owner's representative. (Upon request to Sitter, if Owner is not available, Owner authorises _____ to accept the key.)
